

Delivery recommendations

Please e-mail zm@zinomikorey.com for any inquiries.

Filename	Tracknumber Artistname - Songname
Resolution	32 Bit floating point (24 Bit TDIF or triangular dithered minimum)
Sample rate	Native sample rate you have been recording and mixing in.
Headroom	The highest peak should not exceed -1 dBFS
Plug-ins	Please export the mix with all important sound processors on but without final limiting or clipping. Everything you mix thru becomes part of the mix... If you have limited references please send them too
Fades	Do not fade out the file yourself but tell me where the fade should begin and end.
Sequencing	If you want special transitions please provide a file for reference
Noise reduction	If you need noise reduction please leave empty noise in the beginning and/or end of the song
Upload	Always use this link for uploading: https://zino.wetransfer.com/ This way the transfer will not expire.
DDP	Please send me a label copy with ISRC and EAN/UPC codes
Vinyl	Please send me the track listing, catalogue number and address of the pressing plant including the contact at the plant.

Most importantly have a listen to the files before sending them.

Very looking forward to master your mixes!
